

Upgrade Your Cutter To An INCENTIVE

Current owners of multi-material cutters: Do you want...

- ...your cutter to square properly and stay square?
- ...to be able to cut .063 aluminum clean and debris free?
- ...the convenience of interchangeable cutting heads vs. rotating turret?
- ...a cutting blade that eliminates deflection when cutting PVC?
- ...a laser feature that aligns the material cut line perfectly?
- ...a machine that will never become obsolete as new cutting heads are introduced with new materials that come into the market?

FEATURES

- Strong blade never deflects
- Superior edge quality
- Cuts .063 Aluminum
- Stays squared
- Laser Guide for precise cutting

Laser illuminates a clear cut line on the material to save you from costly errors.

Cuts up to 4mm Dibond in one pass with clean finished edges.

Take advantage of our “Upgrade to a Fletcher Cutter” incentive offer. We will send you a **FREE** aluminum sheet .063 cutting wheel holder and 3 boxes of FSC cutting blades with the purchase of an FSC Multi-Material Cutter.

VALUED AT
APPROX. \$300

Aluminum Sheet Cutting Wheel Holder

Fletcher FSC Blades

To qualify, simply email a digital picture of your current cutter and proof of purchase of your new FSC to upgrade@fletcher-terry.com and mail, or complete on line, the FSC warranty card. Offer expires 8/31/09.
